

## DECLARATION

### TO BE READ AND SIGNED BY THE CPD APPLICANT

I declare that the vehicle described overleaf is not the property of any person or firm, resident or established in any of the above countries, and further that I am not domiciled or resident, nor have I any business, nor am I engaged in industry or commerce, in any of the above countries.

I undertake not to sell or use the vehicle for hire or any other commercial purpose, or to lend it to any other person in any of these countries. I will export it from each country within the terms of availability of the Triptyque or Customs Carnet supplied and comply with the Customs regulations of each country.

I will comply with the Customs laws and regulations of the country visited governing temporary importation of motor vehicles, particularly all instructions applying to the use of the CPD (entry visa, exit visa, etc.).

I will not place the vehicle at the disposal of a person or firm having a residence or business in the country of temporary importation, nor use the vehicle between points within that country for transport of local goods or passengers against remuneration or other considerations unless specifically authorized by the Customs authorities. (Exceptionally if it is necessary to put the vehicle at the disposal of a third party non-resident in the country of temporary importation I will contact the guarantor organization or the issuing association for instructions.)

I will not sell the vehicle in any country into which it has been temporarily imported.

I will re-export the vehicle and any items listed on the CPD from the visited country or countries within the time limit prescribed by the national Customs legislation and will ensure, when leaving the visited country, that the CPD which remains the property of the issuing association has been discharged by the Customs authorities.

I further agree to deliver to the Automobile Association of Southern India the Third Sheet (or counterfoil) of the triptyques signed and stamped by Customs Officials at Customs Houses of entry and final departure from the countries to which the triptyques apply in the case of the Customs Carnet.

I will return the CPD to the issuing association after having it properly discharged as soon as possible after use or at the latest at the expiry of the CPD's validity.

I will notify the issuing association or the guarantor association in the country visited as soon as possible of any circumstances (damage, confiscation, etc.) preventing or delaying exportation of the imported vehicle and/or other items listed on the CPD.

In the event of the CPD being lost, I will provide the issuing association with a completed Certificate of Location made out by the authorities of the country of registration or final importation dated beyond the expiry date of the CPD.

I will provide if required by the issuing association after expiry of the CPD (in order to protect the issuing association and myself) a completed Certificate of Location in the country of registration or final importation in order to avoid any dispute regarding the authenticity of a Customs exit visa.

If through any cause whatsoever, the amount deposited and guaranteed be hereafter rendered insufficient to meet the contingent claims of Foreign Customs for duty, taxes or other charges, I undertake to increase the sum deposited to the full amount required by the Automobile Association of Southern India.
